

## Compact

Stainless steel pole

Aluminium ribs

High grade acrylic fabrics

Small sizes, high strength

### Swift

Small size parasols with stainless steel pole, aluminium ribs and high grade acrylic fabrics in a wide range of colours. Ideally suited for commercial use where space is at a premium.

### Frame

Stainless steel (304) pole, 25.4mm diameter with 1.5mm wall thickness, aluminium ribs 25.35mm x 14.6mm with 1.3mm wall thickness. Glass filled nylon hubs, designed to allow easy replacement of components, thus ensuring long term investment protection.

### Canvas

High grade canvases available in standard acrylic or Sunbrella fabric. Connected to the frame with stainless steel eyelets and bolts, to make replacing canvases simple. Fitted with a large size air vent for additional stability.

### Available sizes

- 1.5m Square
- 2.0m Square
- 2.5m Hexagonal

### Options

- Heavy duty PVC cover bags for protection when parasols are closed.
- Bases in concrete, granite and steel.
- Stainless steel in ground base.

### Printing

High quality screen printing is available with no minimum order quantity.
